

# Free IT open day for business

*Contributed article*

Euro Business Solutions are having an open day for business owners, managers and decision makers on Wednesday 26 June 2013 at their Macmerry offices from 10:00 am until 4:00 pm. The day will focus on the latest business technologies from some of the UK's major IT vendors.

On site in the car park will be the Westcoast Bus, a custom built double decker bus featuring the latest hardware from Hewlett Packard and trainers from Microsoft demonstrating a mix of Windows 8 and Office 365.

Mandy Haeburn-Little , Director of The Scottish Business Crime Centre will be there to talk about security on the Internet and mobile devices, and Peter Ferry of Microsoft will be presenting on the growth of Office 365 and the Cloud in general.
