

# Edinburgh Airport welcomes its millionth passenger – this month!

Edinburgh Airport welcomed its one millionth passenger within a month today – the first time the airport has achieved this figure within such a short timescale.

About to board a flight to Paris are the Crightons – Russell, Angela, Adam (aged 12) and Hannah (aged 8) – the one millionth, one-millionth-and-first, one-millionth-and-second and one-millionth-and-third passengers in July 2013.
