

# Women in Music / Women and Music event

*Contributed article*

Hi-Fi retailer Loud & Clear Edinburgh is hosting their first ever Women in Music / Women and Music event on Friday 16 August 2013 from 6:00-9:00pm.

This is billed as an evening organised by girls, with girls and for girls.

With guest artists Amy Duncan and Fiona Soe Paing who will be with us to share their own experience, the evening will feature discussions, presentations, demos and live music, all in a very relaxed and informal atmosphere.

An evening to socialize, share, talk, enjoy and get inspired!

A glass of bubbly on arrival and nibbles will also be provided. Free event (limited numbers).

Thanks for helping us spread the word!
