This fantastic event space is set within a beautifully restored historic mill on the scenic banks of the River Esk in Musselburgh, East Lothian.

And it gets better – for any big charity lunches or dinners – GH Event Catering has also put together a special package (based on 100 guests) of;

- canapés on arrival
- a three-course meal with tea and coffee for only £29.95pp

or

- a buffet from £7.20pp

GH Event Catering will also help charities, by donating an auction prize, especially for their event. This could be anything from a bottle of bubbly through to a superb prize of a private dinner for six, catered by GH Event Catering's professional team in the prize winner's home.

Eskmills seats up to 350 guests (with dance floor), is available until 1am and summer dates *may* be available upon request (for an additional but discounted fee). These offers are subject to availability.

GH Event Catering's managing director, Brian Galbraith said: "We are committed to being able to support charitable organisations who work extremely hard for vital causes and all of our team like to give something back into the local communities and for good causes. At a time when many charities are finding it difficult to raise important funds and keep costs to a minimum – we believe offering complimentary venue hire and a discounted hospitality package, will give support and encourage charities to continue to hold events and raise vital funds.

"We've hosted many big charity dinners at our Eskmills venue and they've been a huge success for the charities and the guests attending. We look forward to supporting your charity soon!"

A spokesperson from a local, East Lothian charity commented: "What can I say – except – a big thank you to your company, you and all your staff for making our event special. Nothing was too much trouble for any of your staff. All our guests loved it and we can't wait to come back next year."
