

Muirhouse Community Shop to host biggest coffee morning

Muirhouse community shop on Pennywell Road will be raising money for Macmillan Cancer Support on Friday 27 September 2013. Between 9am and 5pm our volunteers will sell a large selection of cakes, sweets, teas and coffee.

So why not pop this date in your diary and pop in for a cuppa and a piece of cake in aid of charity.

In 2012 over 115,000 people signed up to this annual fundraising event and raised an impressive £15 million. Will they exceed this figure this year?

If you wish to donate a cake for this event please drop us an email muirhouserescidents@hotmail.com
