

Road closed following serious accident in Leith

The road between Bonnington Road and Junction Place has been closed due to an on-going police incident, and drivers should avoid the area if possible.

A Police Scotland spokesman said: “Police in Edinburgh responded to a road collision, which happened around 11.50am in Great Junction Street.

“A female pedestrian was taken to the Royal Infirmary of Edinburgh with serious injuries after being involved in a collision with a motorcycle.

“The male rider was also taken to hospital and enquiries are on-going into the circumstances surrounding this incident.”

The investigation is likely to take some time and witnesses should contact Police Scotland on the non-emergency number 101.
