

Our fashion editor's weekly tip #1

Our fashion editor Ann Russell will be choosing her Must Have on Monday each week. (And before you all email us we know this first article is published on Tuesday!)

This pink wool biker coat from [Topshop](#) is the perfect addition to your new season's wardrobe. The coat is affordable (£125) and comes in Autumn/Winter's most popular colour.

Wrap up warm with this cosy wool lined cover-up paired with a thick scarf and leather gloves to add a tougher edge.
