

Firewalk Fundraiser in Castle Street

I work for a charity based in Rose Street. We are called The British Association for Adoption and Fostering (BAAF) Scotland.

We have organised a Firewalk in Castle Street on Wednesday 27 November 2013 from 6:30pm onwards.

Please come along and watch our staff and other friends supporting our cause including Gym 64 members from Dunfermline warming up their tootsies.

We are a family finding service for children who are looked after. Please come along and help us fundraise and enjoy the heat!
