

Monday Must Have

✘ This week I've been investigating potential Christmas presents for the family and came across Karen Mabon's silk scarves. They're the perfect gift for fashionable sisters and friends who have a modern sense of style. I particularly love this cheeky 'Rabbits in the allotment' scarf (£85) from Karen's [Winter Collection](#). It looks great worn with a cosy jumper or as a headscarf for a sassy retro look. For more accessories tips or general personal styling advice visit www.frocktrade.com and enjoy **30% off a half day or full day consultation** with professional fashion stylist, Ann Russell. Gift vouchers are available.

Ann Russell is a fashion writer and has her own fashion blog [here](#).
