

Fewer than 400 tickets remaining for Edinburgh derby

The excitement continues to build towards tonight's Edinburgh Derby (kick off 7.45pm) and Easter Road Stadium will be packed for the opening match of 2014.

There are now less than 400 tickets available for tonight's match.

The East Stand sold out this morning and there are now under 400 tickets available to purchase in the Famous Five Stand and West Stand.

The attendance will be the largest since the East Stand was opened in 2010.

Tickets can be purchased online via the Hibernian FC Club website.
