

England name unchanged side to face Scotland at Murrayfield

England have chosen the same XV and replacements' bench that turned out against France last weekend for Saturday's Calcutta Cup clash against Scotland at Murrayfield (5pm, live on BBC Sport).

The 23 on duty at Stade de France will travel to Edinburgh along with Matt Mullan (London Wasps) as 24th man.

England Head Coach Stuart Lancaster said: "It's good to be able to select the same players and they are all determined to put last week's result behind us and build on the performance. Scotland will be hugely motivated by their defeat in Dublin and, as we found two years ago, Murrayfield is a tough place to play."
