

Red Note Noisy Nights

Noisy Nights is fun, free and your chance to listen to (and compose for) the musicians of Red Note Ensemble. This time the line-up is two cellos and a synthesiser – the swanky Kurzweil PC3K8.

Meet music-lovers, curious minds, musicians, composers and artists in an informal space and hear some of the best examples of brand new music while having a beer. [The 10 Minute Composer's Challenge](#) gives you the chance to write your own piece to be played by the ensemble after the interval.
