

Stewart Brewing need you to volunteer for blind tasting

Whilst it has been kept a secret until now, Stewart Brewing and Hot Rum Cow have been joining forces to design a recipe to release together. This is where we need your help! We have so many different ideas, we could not decide what to brew. We have prepared a couple of different beers and we would like you to pick which one we brew in a blind tasting!

So it is not just one of our usual Thursday night brewery tours! We will kick off with a few drinks and a chat with all of the Stewart Brewing and Hot Rum Cow parties and then we will take you around the brewery so you can see where and how the magic happens!

Then of course some more drinks and mingling! Tour tickets cost £15/£12 (concessions) and the price includes the tour, drinks, snacks and the blind tasting.

First Come First Served so get in touch at sales@stewartbrewing.co.uk or 0131 440 2442 to reserve a place! 7pm, Thursday 13th February.
