

# Hidden Door Festival in photos

 We visited the opening of the Hidden Door Festival this evening. Although it was cold there was a steady stream of visitors, and we are sure it would only get busier as more musicians took to the stage.

It comes alive at night, and we find it intriguing that each artist has chosen to use their vault in a different way.

More information about Hidden Door [here on their website](#). The Festival runs till 5 April 2014.
