

# Edinburgh Western MSP joining up the funding dots

Colin Keir MSP held a very successful funding workshop this morning at St Thomas's Church Hall in Corstorphine.

It proved to be a useful couple of hours for both the charities and funding organisations who attended and those looking for funding. Mr Keir handed out nearly 90 funding packs but he estimates that nearly 140 people came through the doors during the event. Colin is positive that all will get some excellent outcomes.

The Edinburgh Reporter interviewed the MSP and some of the funders at the beginning of the event.
