

Hibernian EOS 3-1 Berwick Rangers Reserves

Hibs EOS beat Berwick Rangers reserves 3-1 yesterday at the Training Centre to progress through to the semi-final of the East of Scotland League Cup.

Jordan Sinclair gave the youngsters the lead midway through the first half before Berwick levelled the scoring with a penalty kick. A well take goal by Max Todd quickly restored the lead then a second half strike from Jamie Beaton ensured the young Hibeers recorded a win over an experienced Berwick side who had a player sent off near the end.

After the game Head of Academy Coaching James McDonough told Hibernian TV: "I didn't think it was our best performance, but we still managed to control the game and play decent stuff at times.

"We scored three very good goals; Sinclair with a clever finish, Allan with an excellent pass and Todd finished it with great composure, then Beaton with a brilliant finish from 20 yards into top corner.

"The players are on a fantastic run, one defeat in 20 games and it's now a case of having to try and squeeze every last bit out of them for the last few games. Their effort has been first class all season, but even more so since Christmas."
