

Jobs Fair at Edinburgh College

✘ Edinburgh College is hosting a jobs fair on Wednesday 30 April, where job seekers will have the opportunity to meet potential employers.

The jobs fair is aimed at anyone looking for a new job, including students about to finish their studies and people looking to change careers. More than 20 organisations will be present at the event, where attendees will be able to find out about career opportunities, full and part-time vacancies, and volunteer and placement opportunities.

Organisations attending include:

Skills Development Scotland; Volunteer Centre Edinburgh; Radisson Hotels; Smile Childcare; The Action Group; Blue Arrow; Apex Hotels; Autism Initiatives; the Army; the RAF; Jobcentre Plus; Scottish Ambulance Service; Specialized Security; Remploy; Business Gateway; Independent Living Services; Police Scotland; Brightwork Ltd.

As well as employers, the Support@Work group, which is part of the Scottish Trades Union Congress, will be available to advise on employee rights and explain how to resolve any issues with an employer. It has previously helped students with issues such as not receiving the minimum wage or a proper contract of employment. Edinburgh College's Jobzone and Student Services staff will also be on hand to provide advice about careers.

The jobs fair is free to attend and is taking place on Wednesday 30 April between 3pm and 6pm at:

Edinburgh College Granton Campus,
350 West Granton Road,

Edinburgh,
EH5 1QE
