

Festival of Museums is on this weekend

Singers Chris Elliott and Emma Moorhead (correct) as a World War One officer and field nurse perform a preview of a World War One inspired performance entitled "Ghosts In A Gallery", which will be shown at the Scottish National Gallery this weekend.

The one-day only event on Sunday 18 May is part of the three-day long Festival of Museums (coordinated by Museums Galleries Scotland) showing this weekend from Friday 16 to Sunday 18 May 2014.

"Ghosts In A Gallery" is a special collaboration with Edinburgh International Festival, and part of the EIF's art inspired by conflict theme for 2014.
