

# Sssshhhhh! Sleeping teddies at the library

On **Tuesday 10th June**, the **Children's Library** is hosting its first ever **teddy bear sleepover**.

You are invited to bring your teddy or toy along in the afternoon and enjoy stories, crafts and snacks. Teddies and toys must be put to bed by 4pm, and their owners will be invited to return the following afternoon to see what they've been up to.

Registration forms can be picked up in advance from the [Children's Library](#) or the [Central Lending Library](#), George IV Bridge – so give your teddy a fun night out! Just remember though, he'll be cranky the morning after (maybe that's why they're having a lie-in till 2pm...)
