

The School Run 2014 in photos

Scotmid sponsored the school run today which started from Holyrood just after the baton had gone inside the Parliament building.

Schoolchildren and their parents were invited to take part by running, jogging or walking 2.2km from Holyrood Palace to Meadowbank Stadium where the Tryathon event is taking place this afternoon offering the young and not so young the opportunity of trying out sports under the watchful eye of professionals.

Gavin Hastings with a young fan!
