

They are waiting for you at Edinburgh Dungeon

Step right up as the Carnivàle takes to the stage tomorrow at the Edinburgh Dungeon, bringing with it all things funny and frightening as a big top full of thrilling tales travels through time at Scotland's top attraction for scary fun.

Playing host to a collection of wonderfully dark circus stars, the Edinburgh Dungeon's exciting new celebration, Carnivàle, launches this weekend. In the centre of our capital city, it promises to separate the brains from the brawn and the bold from the bashful ... if you're game?

With the Dungeon's usual injection of cheeky humour and thrilling new special effects, join the ringmaster and his cast of colourful characters throughout July and August as they produce splendid, spectacular and show-stopping scary fun.

Based on Market Street, the Edinburgh Dungeon – winner of the Scottish Entertainment Awards Best Visitor Attraction 2014 – serves up non-stop action and hilarity throughout an 80-minute interactive adventure through the country's murkier past. With 11 live-actor shows, state of the art special effects, 360° theatrical sets, two heart stopping rides and gripping storytelling by hero characters, visitors to the Edinburgh Dungeon are guaranteed an unforgettable experience.
