

Councillor Lewis on the Fringe

✖ Councillor Richard Lewis is not only Culture Convenor with the council but is a musician of some note!

He is taking a show to the Fringe this year and we met up with him to find out about it. He appears along with international mezzo-soprano Andrea Baker to look at how Scotland has inspired other nations. Including works by Beethoven, Chopin, Liszt, Debussy, and Lerner and Loewe.

Ticket details for Scotland a Journey in Music and Song [here](#).
