

Muirhouse Community Shop needs your help

Many will remember last year that we had a [MacMillan Coffee morning](#) in the community shop. On the day we had raffles, tombola, cakes, jumble sale and more.

Each year 100s if not 1000s of people are diagnosed with cancer and many will live in our community, or possibly even a family member or someone you may know. So we have decided to join in again and have a coffee morning to raise as much as we can.

Last year we raised an amazing £610.09 – Can we beat that?

We need your help though:

Can you bake a cake or two?

Maybe you have something for the tombola?

Or maybe you have something for us to raffle

Maybe you're a company who could donate something, We can arrange for anything to be collected.
