

# East Coast Organics Open Day on Sunday!

If you care about your food – and you'd like a fun day out – head to Haddington this Sunday afternoon for **East Coast Organics** annual **Farm Visit**.

There will be hot food and drinks (organic, need we say...), an organic market stall, face painting, **tractor trailer tours**, walking tours, **kids' corner** with small animals, information stand with **goats** and **Kunekune pigs**, pick your own pumpkin, guess the weight of the pumpkin, **geese, ducks, hens, rare breed sheep** – and lots more. Tour the new orchard and try an apple; see the new polytunnels and crops, **PLAY ON A JCB DIGGER!!**

The team advise that you **bring a cool box** if you plan to buy produce, and **your wellies** – just in case. If you play an instrument, bring it and **make some music**.

This is a yearly event to thank everyone who has believed in and supported East Coast Organics over the past 18 years; all members, friends, customers and anyone interested in sustainable food production is welcome. ECO operate a box delivery service of organic produce (including eggs and bread), which can be dropped off at your home, office or other drop-off point.

The farm is only 20 miles from Edinburgh or 7 from Longniddry Station. There are also lots of buses from the city to Haddington. From Haddington head south to Gifford for 2 miles, then take a left to Morham (will be signposted) and the farm is 300m on the left. The farm anticipates around 1,000

visitors. They have plenty of parking but ask people to **car share if possible, or even cycle.**

The farm's address is **ECO Farm by Haddington, EH41 4PD** (please note the Eco Day is *not* at Boggs Holdings) and the Open Day will run from 1pm to 4pm on Sunday 14th September 2014. For more information about ECO click [here](#).
