

Foodie Walking Tours

We provide Foodie Walking Tours of Edinburgh. Our main clients are visitors to Edinburgh but during the month of October as part of the Edinburgh Restaurant Festival we are offering anyone with an EH post code address the tour for £39 instead of the normal £55.

The tours visit up to six locations in the Old and New Towns, tasting food and drink on the way. As the group walks between stops the guide talks about the history of Edinburgh, pointing other interesting places to visit.

The tour last three and half hours starting at the Hotel du Vin and ending up at the Ghillie Dhu in the West End.

You can view further information about the tour on our website <http://www.eatwalkedinburgh.co.uk>
