

# Valuable sheepdog stolen

☒ Stolen sheepdog, Scottish Borders

A working sheepdog was stolen from a farm near Cockburnspath on Saturday evening and Police in Eyemouth would like to hear from any potential witnesses.

'Floss', a 3 year old Border Collie, who is predominantly white at the front, is described as a small working dog with a friendly temperament. Officers are particularly keen to trace four females who were in the area earlier enquiring about dogs for sale.

Those with information can contact Police Scotland on 101, or alternatively, the charity Crimestoppers on 0800 555 111.
