

Gordon's newsletter is on the way!

Gordon Macdonald MSP is ready to start delivering his new annual newsletter to constituents throughout Edinburgh Pentlands. This will be his fourth newsletter to residents since his election in 2011.

Gordon, taking time out before delivery begins, said: "This has been the busiest Parliamentary year so far with no fewer than 17 bills receiving royal assent.

"The Bills cover a wide range of topics from disabled parking, housing provision, children and young people to bankruptcy and debt. With so much of the Scottish Parliament's work impacting on the lives of the people of Edinburgh Pentlands it is important to keep everyone informed."

During November, the newsletter will be delivered to every household in Edinburgh Pentlands from Fairmilehead to the Calders, and from Ratho to Whitson – 33,000 copies in total.
