

Winter Wellness Event in Muirhouse

Tenants and Residents In Muirhouse is delighted once again to work in partnership with Energy Scotland.

Many residents may recall Dagmara from Energy Scotland in the community shop a few months back, giving out free advice and arranging home visits etc.

For the past few months we have been in talks about bringing the advice sessions back and we want them BIGGER.

So why not pop in to North Edinburgh Arts for free advice on all things home related, how to keep your home warm the cheapest way, what is the best deals out there, can you get support for your fuel, Is out of date food really that bad for you and it is hoped that Fire Scotland will also be in attendance
