Police are appealing for witnesses following a hit and run incident in Davidson's Mains on Sunday.

A thirteen-year-old boy was on a push-along scooter in Main Street at around 8.10pm when the collision occurred after the car mounted the pavement.

"We are keen to speak to anyone who was in the area at the time of the collision and who may have information relevant to this investigation.

"In addition, I would urge the driver to come forward as soon as possible."
