

# Ballot box at Easter Road today to choose fans' representatives

A ballot box will be positioned at the Famous Five Stand reception (entrance to Behind the Goals) from 12:15pm until the 3pm kick-off at Hibs' game against Falkirk for those wishing to vote for their two chosen supporter representatives.

The ballot box will also be present at next weekend's match against Cowdenbeath (Saturday 14 January, kick-off 3pm), and at the West Stand reception during office hours (8:30am-5:30pm) from Monday 12 January-Friday 16 January.

Voting is open to any supporters aged 18 or over with a Season Ticket Membership for seasons 2012/13, 2013/14 or 2014/15, or current shareholders (as of Thursday 23 October, when the nominations opened). Whilst we appreciate this excludes a large number of supporters, a measure had to be put in place to ensure the authenticity of applicants and voters.

All paper votes cast will be cross checked against electronic votes registered, with any ineligible or duplicate votes not counted. Voting will close at midnight on Sunday 18 January, with the successful candidates announced thereafter.

Supporters can still vote online via the Hibs' website.
