A firm of Edinburgh solicitors and estate agents, Warners LLP, has become the official sponsor of [STV Edinburgh's](#) flagship magazine show.

STV Edinburgh's 'The Fountainbridge Show' which launches on January 12 will air every evening between 7-8.30pm with a line-up of local presenters showcasing local music, culture and affairs.

Warners Solicitors & Estate Agents will feature in a brief 'hottest property' themed sponsorship bumper, sandwiching each segment before, after and during the show.

Jason Scott, a Partner at Warners, is thrilled with the deal that will see the firm cement its high profile in the Edinburgh, Lothians and Fife.

Jason said: "The Fountainbridge Show is the flagship show on STV Edinburgh so for us it was a real opportunity to get on board from day one.

“The programme is designed to showcase everything that is good in Edinburgh and the surrounding area in terms of news, sports, entertainment and culture. Warner’s see it as an opportunity that we can connect to and support.

“We also hope we can benefit from the association of [STV](#) with our brand, associating Warners even closer with the people of Edinburgh, Lothians and Fife.

“We want people to recognise Warners as the leading property solicitors brand in the area.” 

As part of the sponsorship package, the Warner’s sponsorship bumpers will feature 18 times in each show, which is repeated later in the evening and the following afternoon.

STV’s head of sponsorship Debbie Robinson, said: “The launch of STV’s second city TV channel is a fantastic opportunity for advertisers to reach their targeted audience right in the city of Edinburgh. We are thrilled that Warners has come on board for the launch of The Fountainbridge Show and we look forward to working with them as the channel develops.”

Warners, which has three property shops, has held the unofficial title as Edinburgh’s leading property solicitor estate agent for 14 consecutive years since 1999, measured in terms of property sales as recorded by [ESPC](#).
