

Hibs' Community Foundation's open day for deaf children

The Hibernian Community Foundation are offering boys and girls from Primary 1 to Secondary 2 who are deaf, the chance to build their football and interpersonal skills and make new friends.

The Foundation will be holding an open day for parents to get more information about the programme, the play to learn approach and how to develop a pathway of support for young people who are deaf, including regular weekly sessions.

The open day will take place at the Hibernian Training Centre (EH35 3NG) on Saturday 7 February between 12.30pm and 2pm. Hearing friends and siblings will be made welcome.

This exciting new project will link community football and will include other organisations such as the National Deaf Children's Society.

To find out more, parents and children are invited to come along to the open day and can register their interest by emailing sypence9@gmail.com
