

Showing off #Stronger North in the shop window

Muirhouse Community Shop has a window display for #StrongerNorth this week.

Robert Pearson Chairman of Tenants and Residents in Muirhouse (TRIM) and manager of the community shop said: "Already residents are asking questions, which is exactly what we want. Shop volunteers are always available to point residents in the right direction for any help they may need."

More information on the shop display can be found here [#StrongerNorth TRIM Website](#)
