

COMPETITION – Win a gin tasting for two at One Square

One Square is the new(ish) go to bar for the discerning gin drinker.

They now have their own gin made a short distance away at Summerhall Distillery. The spirit has 15 botanicals in it especially chosen and now distilled to order by Pickerings Gin.

The bottle is screen printed just around the corner from the distillery, and this gin has all the hallmarks of the care and attention that you will enjoy when you visit the bar. Each bottle is filled by hand and the wax seal on the top is also applied individually.

Just to the right of the front door of the hotel entering from Festival Square this is an oasis of calm in the city centre. Here you can try out the new One Square Gin in a simple gin and tonic or in a cocktail. Try the Signature Cocktail which features grapefruit juice and honey!

The prizes on offer to Edinburgh Reporter readers are three vouchers, each voucher valid for a ***Gin Tasting for two people*** (three premium gins with matched tonic per person). This is a great prize and you will learn a lot about gin from the Gin Concierge. These are the team of gin experts behind the bar who will take you through the tasting.

Each voucher for two people is worth £50 and you may enter here until **5pm on 30 March 2015.**
