

TERLive! Launch of the Edinburgh International Festival Programme 2015

The new Festival Director Fergus Linehan will today announce the full programme for 2015.

The meeting at The Hub is always long awaited by all the journalists who attend as they serve the best bacon rolls and coffee. That, and the anticipation of what will be on offer this year at one of the world's most acclaimed festivals, causes much excitement.

Now you can follow what happens here live. We will be tweeting and Instagramming and all the content we and others produce on whatever medium will end up here. The hashtag is #EdintFest
