

Hibs' Hampden ticket update

Hibs' supporters buying tickets online for Saturday's William Hill Scottish Cup Semi Final (18 April, kick off 12.15pm) have been reminded that they have until Friday 17 April at 5pm to collect their tickets from the Hibernian Ticket Office.

The Ticket Office will be open from 10am-5pm on both Thursday and Friday, both for ticket sales and collections. Tickets can also be purchased online, with tickets available for the North, South and East Stands.

The Ticket Office will not be open on Saturday, so all tickets must be picked up 5pm on Friday. The club recommend that those purchasing from now onwards should select the collection option, as there is unlikely to be enough time to receive tickets through the post.

Hibs are awaiting final confirmation with regards to matchday sales at Hampden Park, and will communicate arrangements when we can.

However supporters should note that those purchasing on the day will not benefit from the 10 loyalty points available to supporters.

Supporters looking to receive their loyalty points should ensure they purchase directly from the Club and allocate tickets to individual client reference numbers.
