

# Hibs' Scottish Cup semi-final tickets on sale today

Scottish Cup semi-final tickets for Hibs v Falkirk on Saturday 18 April go on sale to season ticket holders this morning.

Supporters are encouraged to beat the queues by booking tickets online for this match.

10 Loyalty Points are available for every ticket assigned to a unique Client Reference Number.

Tickets will also be on sale from the Ticket Office. Fans buying for a group and wish to accumulate the individual Loyalty Points should arrive with a printed out and completed form (which you can download as a PDF using the link below).

As everybody will appreciate, the demand to attend this match will be huge, so fans can avoid the queues by booking online.

A reminder of the following sales procedures for semi-final tickets:

Existing season ticket holders will be entitled to purchase an unlimited amount of tickets during the priority period which will commence at 10am on Thursday 2 April through to midnight on Monday 6 April. With well over half of Hampden available to Hibernian supporters, this process has been designed to allow and encourage families/groups to be able to be seated together.

Supporters can also book online, visit the Ticket Office or by telephone the call centre on 0844 844 1875 option 1

\*Please note that if purchasing online or by phone and select collection, you must allow at least 48 hours before collecting

as we need time to sort these tickets.

It should be noted that on Saturday 4 April semi-final sales at the Ticket Office will only be from 10am to 1pm and then again post-match. This is because of the amount of Ticket Office traffic associated with a home matchday.

The public sale of tickets will commence at 10am Tuesday 7 April, and again supporters will be able to purchase an unlimited amount of tickets per transaction.
