

#GE2015 Edinburgh's Westminster constituencies

✘ It can be a little confusing wondering which constituency you live in, especially in Edinburgh city centre where all the boundaries seem to meet.

Here is the constituency map which we hope you will find helpful as the results are announced tonight! (and let's not worry about the impending boundary changes for the councils across Scotland – that's happening next year!)

The Edinburgh Reporter will be at the count tonight at the EICC and we will be bringing you live coverage of the results and the views of the candidates we meet both before and after the sums are done.

In case the gremlins get in you can make your own map from Ordnance Survey OpenData which you will find [here](#).
