

HSL breakfast event at Hibs Supporters' Club on Saturday

Hibernian Supporters Limited have been invited by the Hibernian Supporters Association to stage a breakfast event at Sunnyside on Saturday morning (10am).

Turnbull's Tornados Pat Stanton, John Brownlie, (pictured) Tony Higgins and George Stewart will be in attendance to talk about their glorious association with the club and share their favourite Hibs memories into what happened at Easter Road during the 1970s.

The event kicks off at 10am – in the build-up to Saturday's Scottish Premiership play-off semi-final second leg match at our home against Rangers.

HSL have been active over the past few weeks and have been engaging with fans individually, in small groups, Branch Meetings and indeed bigger events at the Stadium.

This has seen membership numbers increase steadily and more importantly has helped unite all of our fans around a common purpose – financially supporting our Club and taking an ownership position.

The Supporters Association are right behind HSL and to this end this event is aimed at increasing awareness of HSL and what we the fans are trying to achieve.

Chief Executive Leeann Dempster will be in attendance along with Head of Football Operations George Craig and other Directors.
