Police are appealing for witnesses in relation to an assault and robbery at the Meadows which took place around 2am this morning.

Three men approached a 20-year-old male, who was walking on Middle Meadow Walk, and engaged him in conversation. They then punched him to the ground resulting in a serious facial injury before removing his wallet and making off on foot.

The injured man went to Edinburgh Royal Infirmary where he was released after treatment.

Police are keen to hear from anyone who was in the area at around the time of this incident or who may have seen the three men.
