

# Car vandalised in Pilton

A car was vandalised in the early hours of this morning in Pilton while sitting right outside the owner's front door causing around £1500 of damage.

The owner does not wish to be named and since the crime took place so early in the day – between 1.15am and 6.30am – it is unlikely there were many witnesses, but if anyone does have information then they should contact Police Scotland on 101 or use Crimestoppers anonymously on 0800 555 111.
