

Chris Johnson – Illustrator and Sculptor

We never cease to be amazed by what you all get up to in Edinburgh! Morven has sent us this story about her partner Chris Johnson who lives and works in Edinburgh.

Here is a short film that has been made by Douglas Caldow about sculptor Chris Johnson's work:

Chris is a sculptor and illustrator and the film shows him developing a character in clay and explains the intricate processes involved.

You can also find out more about him on his website and Tumblr site
