

Edinburgh Festival Fringe 2015: Grossed Out Gameshow

The winner of the 'Best Kids Show' at the Sydney Fringe is headed for Edinburgh.

Grossed Out Game show is riotously noisy fun for kids of all ages, a sell-out, smash hit Australian special event for kids of all ages. In this anarchistic live and interactive game show two guest team captains each lead half of the audience in a battle of physical challenges and trivial absurdities in order to win! The team that wins the challenges earns litres of slime to pour over the other team captain!

Quite simply the team that wins more, SLIMES more!

Multi coloured host Matty Grey is the master of munchkin mayhem, orchestrating this riotous whirlwind of insanity and as judge always has the final word. Joined onstage by his two assistants, Prof. Kit E Kat and Dr Cool, Matty is no stranger to bias, letting creative cheating slip by unnoticed. He leads us all on a merry dance towards a green finale that has to be seen to be believed.

Winner of Best Kids Show at the Sydney Fringe the show sold out its entire season at the 2014 Melbourne Comedy Festival in just 10 minutes.

Matty Grey is a Sydney based professional kids comedian. He is especially fond of creating interactive shows that encourage kids and their parents to laugh together, to get out of their seats and participate.

*No audience members get SLIMED during this show...it's just lots of good clean fun.
