

Hibs aim to improve matchday experience for disabled supporters

Hibs have extended an invite to the Hibernian Disabled Supporters' Association (HDSA) to the first HDSA meeting of the new season.

The committee of the HDSA are all season ticket holders and are looking to increase awareness of the role that they perform within the club and how they can assist all season ticket holders.

HDSA aim to represent the interests of disabled supporters of the club and improve their match day experience by working closely with the board to deliver a range of key objectives.

The first HDSA meeting of the season is due to take place on Monday 10th August at 7pm in the Gallery of the West Stand at Easter Road. At the meeting the committee members will be presenting their ideas on key objectives for the seasons ahead.

All supporters are welcome along to the meeting on Monday. Fans who can't make it along but would like more information on HDSA should contact them on info@hdsa.org.uk or check out their website www.hdsa.org.uk where you can join for just £5 for the coming season.
