

Colony of Artists – 12 & 13 September 2015

The 10th Colony of Artists takes place this weekend on Saturday and Sunday afternoons. All the artists who will display their works are listed in the brochure which you will find below. Works of all media will be shown, and most are for sale.

A film will be shown in the upstairs lounge of The Artisan Bar. The Singing Street was made by a group of teachers from Norton Park School in 1950. There will also be a display of old photographs of the area courtesy of RCAHMS.

The event came from an idea sparked by the Art Festival in Pittenweem as founder Gill Smith explained to us:
