

In East Edinburgh? Come and join in with the Chronicle Online

Do you live in East Edinburgh? There is now a news website specifically set up for East Edinburgh called the Chronicle Online and they are holding an information session on Friday 2 October at the White House on Niddrie Mains Road.

Come along and find out what it's all about!

You may want to write or take photos, but more importantly the new site will need those who know all about the area and who may have stories to tell.

Are you involved with an organisation which is situated in East Edinburgh? Then maybe this would be a good way to get some publicity for your work. Whether you are a charity or a business there is room for you!

The first session is on 2 October 2015 and there is a schedule of events throughout October designed to help the new Chronicle get off the ground.

You will see that the site [over here](#) already has some stories!
