

The Lord Provost meets – The Stig

The Lord Provost of the City of Edinburgh the Rt Hon Donald Wilson was in the company of Ben Collins, formerly known as the BBC's The Stig at the Ingliston Revival last weekend.

The Lord Provost opened the inaugural Ingliston Revival at the weekend before taking a seat in The Stig's Porsche for a few thrilling laps.

It seems that it was an exciting track experience. The Lord Provost said: "It has been a great honour. I couldn't help but think of all the amazing things I get to do as Lord Provost.

"It's good for the city having events like this but before I step in another supercar, I'll have to wait for my stomach to stop churning!"
