

# Ticket news for Hibs' supporters travelling to Dumfries and Falkirk

Hibs' next two games could go a long way to determining where the club finishes in the Championship.

With Rangers taking a commanding lead, Hibs face their main rivals, both away from home and six points would potentially see the club make inroads into that lead and also open up a gap between them and the chasing pack.

With that in mind, a large travelling support would help achieve this goal and the club have announced ticket details.

Hibs take on Queen of the South this Saturday in Dumfries, and supporters have the option of purchasing seated tickets for the Rosefield Salvage Stand or in the Terregles Street Terracing, which is all standing. Full pricing details, and information on how to purchase, are as follows:

Ticket Prices: Stand & Terracing

Tickets for the rearranged Ladbrokes Championship match with Falkirk on Tuesday 20 October (kick off 7.45pm) will go on general sale from 10am on Tuesday 29th September.

Five points will be awarded for supporters purchasing tickets from the club for this fixture. Please note that Hibs would still recommend that supporters allocate tickets per client reference number to ensure everyone receives the loyalty points they are due. Due to the sizeable allocation for tickets Hibs have decided to put tickets on general sale without the need for loyalty points priority windows. For matches where demand is expected to exceed supply the club will continue to use the loyalty scheme to stagger ticket sales.
