

# Edinburgh charity celebrates 30th birthday with cake!

An Edinburgh-based charity dedicated to assisting older people and the disabled to live in their own homes and communities for as long as possible has celebrated its 30<sup>th</sup> birthday.

Care and Repair Edinburgh's milestone anniversary was commemorated by the signing of a pledge to support the charity's principles by Alex Neil, Cabinet Secretary for Social Justice, Communities and Pensioners' Rights and local Capital MSP Gordon McDonald.

From arranging a home-from-hospital adaptation by a trusted tradesman to offering a helping hand and a listening ear to often lonely older people, Care and Repair Edinburgh's dedicated, hardworking and experienced team of staff and volunteers provides a one-stop-shop to provide assistance to older and disabled people.
