

# Hibs v Rangers Matchday information

Tickets are on sale to supporters on the Hibernian database. The Ticket Office is open on Saturday from 10am-3pm and Sunday from 10am until kick-off at 12.30pm, opening again post-match for supporters wishing to purchase Dundee Utd tickets. No ticket pods or cash gates will be in operation, so all matchday sales are from the Ticket Office.

As a result Hibs are expecting the Ticket Office to be extremely busy in the lead up to kick-off, and would strongly urge that supporters arrive early if they are needing to purchase or collect tickets on the day.

Fans can avoid all the matchday hassle by buying online and using the free Print at Home facility.

They should log in to their eTicketing account using their client reference number and password, add the tickets to their basket and select the print at home option for delivery.

They will receive their normal booking confirmation followed by a second e-mail with their eTicket attached, which they should print off and take to the match to be scanned at the turnstile.

The Behind the Goals supporters bar will be open from 11am to all season ticket holders, and will reopen post-match.

Due to a prior catering booking Behind the Goals **will not be open** on Wednesday night for the Dundee Utd game.

The Hibernian Clubstore will be open from 10am-3pm.
